Teaching Experience

Student Teaching

Jan – March 2021

Mandan High School, Mandan ND

Cooperating Teacher | Zachary Hassler

- Instructed classes in Biology and Anatomy and Physiology
- Prepared daily lesson plans and learning activities, labs, quizzes, and tests
- Monitored student progress and motivated slower and nonmotivated learners
- Maintained a productive classroom through classroom and behavior management strategies and techniques
- Used Canvas program for students to submit their work and to provide extra content to aid them for studying and understanding content
- Had positive relationships with the students that created a mutual respect in the classroom

Practicum II

Fall Semester 2020

Legacy High School, Bismarck ND

Cooperating Teacher | Michael Walz

- Designed and taught four different lessons in Conceptual Physics and Mathematical Physics
- Retought and reinforced difficult concepts
- Used flipped classroom techniques for some lessons
- Taught a lesson online due to hybrid schedule

Practicum I

Mandan Middle School, Mandan ND

Spring Semester 2020
